Joplin, MO 64802
Jasper County
North Latitude - 37° 06' 16"
West Longitude - 94° 22' 49"

FACILITY DESCRIPTION

ICI Explosives Environmental Company (ICIEEC) is a reactive waste management company. ICIEEC provides analysis, packaging and transportation of reactive wastes to the ICIEEC facility located near Joplin, Missouri. ICIEEC operates an incinerator for the sole purpose of disposing of reactive wastes. The explosives manufacturing industry, a variety of other manufacturing companies, users of explosive devices and materials, and government agencies, such as the Department of Defense, generate the reactive wastes, which are accepted for treatment by incineration.

PERMITTED ACTIVITIES

This Permit allows for the storage, miscellaneous treatment and incineration of "characteristic" hazardous waste as well as storage of various "F, K, P and U" listed hazardous wastes as specified in the Part A application. The hazardous wastes include explosive/reactive materials, explosive and energetic devices, propellants, pharmaceutical materials containing nitroglycerin,
