

EXPLOSIVES ENVIRONMENTAL COMPANY

## Proven Cluster Munitions Demil Technologies

EBV EEC is the world-wide leader in Cluster Munition Demil. We are the first and only company experienced with automated disposal of ICM munitions. More than 400,000 rounds containing over 40,000,000 submunitions have been safely disassembled and destroyed. In addition, more than 16,000 CBU dispensers and MLRS warheads have been safely disassembled and destroyed.

Automated CBU Bomblet Demil Process

**EBV EEC's extensive Demil experience with ICM, CBU and MLRS has proven to be the preferred technology for the Demil Contracts.**

**Automated ICM Demil Process**

**CALL EBV EEC TO MANAGE YOUR SUBMUNITION DEMIL PROGRAM**

EBV EEC's has the only operational, commercial submunitions demil facility and explosives waste incinerator in the United States.

We are ready to assist you in the safe and economical demil of submunitions.
